## Character and Fitness

### Qualifications for Admission to the Bar

In addition to a bar examination, there are character, fitness, and other qualifications for admission to the bar in every U.S. jurisdiction. Applicants are encouraged to determine the requirements for any jurisdiction in which they intend to seek admission by contacting the jurisdiction. Addresses for all relevant agencies are available through the National Conference of Bar Examiners. Bar examiners may require information similar to that requested in the last two questions in this section and considerable additional information as part of their character review as a prerequisite to taking the bar examination. The fullest possible disclosure to the bar is recommended. Admission to or graduation from law school does not guarantee a registrant that he/she will be eligible to sit for a bar examination and/or be admitted to the practice of law.
